As we come to the end of another fruitful and happy term, we reflect on the many successes we have seen our pupils achieve. Our children continue to flourish and thrive and we congratulate them on the progress they are making in their learning. Well done Sunbeams!

Thank you to all who attended our many festive activities. It is always such a pleasure to share our events with our wider community and watch others appreciate the many talents Sun Academy pupils have. I know your attendance at events means the world to your children so thank you for your continued support and championing of the school.

2017 has been a fabulous year for Sun Academy as we have enjoyed the fruits of our labour and seen our school go from strength to strength. I have no doubt at all that 2018 will be even better. How could it be anything less than fabulous with the children we have.

On behalf of everyone at Sun Academy Bradwell staff and governors, I would like to wish you all a very Merry Christmas and a Happy New Year. I hope you all have a very enjoyable holiday and well-earned break and we look forward to welcoming the children safely back to school for the start of a new term on **Thursday 4th January 2018**.

A special thank you and well done has to go to all our children for their performances and Christmas activities.

The nativities and carol concerts are always a treat to behold and put us all in the festive mood.

Our choir also did a sterling job of entertaining our wider community when they performed at the local Co-op and nursing homes. Well done all!

The Christmas Fair was a great success this year and was extremely well attended. Thank you to all who came to support this event.

The total raised was £410.52. The fundraising this year has allowed us to subsidise the coaches for the pantomime and ensure all children receive a small festive gift.
