Happy Easter!

As another busy term draws to a close, we have reflected to celebrate yet more amazing achievements from our super sunbeams.

A huge well done to all of the children who took part in the performance with Brendan Cole at The Regent Theatre. Everyone who attended commented on the fantastic performance of our children, commenting on their dedication and professional manner. Staff from the theatre commented on the children's conduct whilst at the venue, which of course, we are not surprised by. A huge thank you to Mrs Kappakas and the Academy staff who supported with this project.

Over the past two weeks the children have been busy completing their standardised assessments. They have shown great resilience in tackling these papers and continue to show the learning that has taken place. We await the results to support our teacher assessment of children's learning.

The children have continued to work extremely hard this term and I'm sure are more than ready for the Easter break. All of the staff want to wish the children and their families a restful and fun-filled Easter spending quality time together. We look forward to the children's return for yet another busy Summer term.

Head of Academy (Designate)

Charity Donations

As part of a national drive to support young people with sanitary products, local charities have contacted our Academy, ensuring that our children benefit from this. Sanitary products will now be accessible within the Key Stage 2 girl's toilets for their use. Please inform a member of staff if your child needs any reminder or prompting relating to this.
