I cannot believe that we are weeks away from the summer holidays; the term has gone extremely quickly. There have been many successes yet again this term with the children rising to all of the challenges given and shining like the super sunbeams they are.

At the moment there is a determined and positive buzz within the Academy with the children ensuring the staff know what they have learnt this year and an excitement as summer shows and sports days approach. Let's hope the amazing weather predicted continues for the rest of the term and into the summer holiday.

Plans for next academic year are in full swing with transition days and teacher conversations taking place over the next few weeks. Both staff and children are already talking about the exciting plans for next year.

I would like to take this opportunity to thank you for your continued support of the Academy throughout this academic year and supporting us on our journey towards ensuring outstanding provision for all of our children.

Mrs Laura Niemczyk  
Head of Academy (Designate)

## Sun Safe

As the weather is predicted to be hot over the next few weeks (and hopefully longer), please ensure that children are sent with the appropriate items to keep them safe when outside. Please send a sun hat, sun cream and water bottle clearly labelled with your child's name.

## Junior Cadets Assembly

Children in Year 5 were given the opportunity to apply for the Junior Police Cadets course. The children who applied were all selected and the sessions are well under way. On Friday 12<sup>th</sup> July, children will be given their graduation certificate during celebration assembly. Parents are warmly invited.

## From September 2019

Due to health and safety, we will be making some changes from September 2019:

### **Bags and Equipment-**

Please only buy a book bag for your child as we will not be allowing rucksacks into the school as we do not have the room to store them. Children will be provided with all of the equipment needed for lessons therefore, individual pencil cases will not be needed.

**P.E kits-** Children will need a P.E kit in a size appropriate bag. All items should be labelled with your child's name to ensure items can be easily identified. These will be stored in the children's lockers or pegs.

**Water Bottles-** Please ensure your child has a water bottle in school, clearly labelled. They have constant access to water which will keep them hydrated throughout the day.

## Uniform

Please ensure that your child comes to school in the correct school uniform.

Items are listed below:

- Jumper with school logo
- Dark grey trousers
- Shirt and tie (year 1 and above)
- Polo shirt (Early Years)
- Black shoes

Please note that full shoes should be worn in the summer rather than sandals for health and safety reasons.

When notes or explanations are provided by parents, children are given a day's grace.

Thank you to all of the children who come to school smartly dressed. If incorrect uniform is worn, children will wear pumps and a tie from the school office.

## Spelling Competition

This week the spelling competition first round has begun. Children who make it to the final stage will have new spellings sent out next week ready for the competition final on 11<sup>th</sup> July. Good luck to all of our competitors.

## Model for our pupils

Can all parents please be reminded about their conduct and language in school grounds and within the community before and after school. In order to encourage the highest standards of behaviour for our children, positive role models are needed both inside and outside school. When children are around, they pick up on adults language and behaviour within the environment. Please ensure that this is of the highest quality.

## Administration Forms

Please be aware that permission forms will not be issued again this year unless there are any changes to policy and procedures. If there are any changes to details, medical conditions or you wish to change your permissions, please contact the school office.

## Sports Days

We do ask that for safety reasons parents do not cross over the field to their child.

All children will be provided with drinks and an ice pop on the day.

## School Reports

All of our pupils will receive a written report at the end of the academic year. This report will inform you of their achievements this academic year and the progress in the core subjects.
