

19th March 2020

Dear Parents/Carers,

As you know, we are all facing extraordinary challenges at this time and the situation is placing pressure on all parts of society. Our staff have been doing all they can to keep our academy open since this crisis began and I would like to pay tribute to their remarkable commitment. They have been extraordinary and we will continue to play our part over the coming weeks.

As you may be aware, the Government made several very important decisions yesterday evening (18th March) about schools. There will be further detail to follow but I wanted to ensure you had as much information as possible as early as possible.

The first is that it has advised schools in England to close, except for certain groups of children, from this Friday afternoon (20th March) onwards as a further measure to prevent the spread of COVID-19. No date has been set for when schools will re-open for all students.

From Monday, this academy will continue to be open for the following groups of students:

- **Children whose parents are frontline workers** – the Government has said these would include NHS staff, police, school workers and supermarket delivery drivers. However, others will be in this category and we expect to hear more from the Government on this in the coming days.
- Those classed as what the Secretary of State described as “**vulnerable children**”. These include those who have a social worker assigned and those with Education, Health and Care Plans (EHCPs).

For students in these groups, we have also been asked to remain open through the Easter holidays and we will do our best to achieve this. From Monday 23rd March and through this period, our academy will provide care and some education for these children.

As soon as I have more information on the above groups, I will share it with you. In preparation for this I attach a form that asks that you to identify if you fall into one of the above key worker groups. If you believe that your occupation MAY be highlighted in the extended list expected later today, please make us aware of your role so that we do not have to come back to you to collect this information.

Children who do not fall into the groups listed must remain at home with appropriate care. You will have no doubt seen that the Government have advised that children should not be left in the care of elderly relatives so we ask that you please bear this in mind to best protect our community.

The academy will remain open for the rest of the week to all pupils who have not already self-isolated.

The second key announcement is that tests and examinations will not take place this summer. For children and young people, who have worked so hard to prepare for their SATs, GCSEs or A levels, this may be upsetting, and we sympathise with them. It may not feel quite the same, and nor is it, but they will receive grades that will progress them to the next stage of their lives.

We will continue to provide learning packs for the children. Information will be communicated via Class dojo APP. We would warmly welcome photos and messages on the children's work. We will also be on hand during school hours to support with any learning via the messaging tool. A website list have been provided with key sites such as active learn and purple mash.

We are working quickly with our catering providers, and taking account of Government advice in order to continue to provide for any students identified as being entitled to Free School Meals. We will release further details as soon as we are able.

In the meantime, I would once again like to take this opportunity to thank you wholeheartedly for your understanding and ongoing support in helping us to manage this unprecedented situation.

Yours sincerely,

Mrs L Niemczyk
Principal
Sun Academy Bradwell
