

5th March 2018

Mother's Day Concerts

On **Wednesday 7th March**, we have invited all mums, nans, aunties and friends to our Mother's Day concerts at **1:30pm and 5:30pm**

All children will be performing in the concert and treating those special to them to a musical and performance delight. All those that attend will receive a special gift and be entered into a raffle.

Like our Christmas and summer concerts, we will be asking pupils to stay in-between the two performances. This means that after the afternoon performance the children will remain in school. We will keep the children until the next performance at 5:30pm. We will have a tea time session with the children so please send them all with a packed tea. At the end of the last concert we will dismiss the children from their usual doors.

We are looking forward to seeing you at the concerts and celebrating this special time of year.

Kind regards

Mrs B Caisley
Principal
