

12/06/2017

Dear parent/carer,

In light of the new guidance in the 'Safe Practice of PE' document, our academy's PE policy has been updated. I would therefore like to take this opportunity to remind and update you on our PE health and safety expectations.

The following health and safety guidance **must** be followed in all PE lessons and extra-curricular sport clubs:

- **Appropriate sports kit** (white T-shirt, black shorts/tracksuit bottoms/skirt/sports leggings) and trainers should be worn by all participating children.
- Jewellery must be removed.
- **Earrings should be removed.** If this is not possible, you should **put tape over your child's earrings as a means of protection. Teachers are not responsible for this.**
- Long hair must be tied back with a bobble (hard clips should not be used).
- **The use of goggles should be discouraged,** if children use goggles **they must be fitted independently,** and if deemed unsafe by an adult, removed immediately.

This guidance will be strictly followed during PE sessions and extra-curricular sports clubs. **Please ensure that your child has their PE kit on their PE day and for any clubs they attend.**

If you have any questions about this, or if you wish to see a copy of the full PE policy, please do not hesitate to contact me.

Thank you for your continued support,

Miss Phillips
Sports Lead
