Sun Academy Bradwell Behaviour Procedures for partial reopening during Covid 19

Good behaviour in our academy is essential in order to maintain a safe and happy environment. At Sun Academy Bradwell, it is expected that all members of the community; staff, children and parents work together to ensure that our academy is safe and harmonious.

Aims

The academy seeks:

- To create an environment that is positive, nurturing and caring, where children feel safe, secure and valued.
- To provide high quality learning experiences within a supportive and safe learning environment, which enable children to develop positive views of themselves.
- To promote positive attitudes towards personal safety, health and hygiene.
- To set high standards for personal behaviour and self-discipline with consideration, courtesy and respect for other people of all genders, ages, races and cultures.

Ethos

- The academy ethos is based upon the principle of respect for ALL members of the academy community and ourselves it is underpinned our ethos and vision: achieve, believe, learn and enjoy. We also work hard to support children in developing a 'can do' attitude, a love of learning and supporting the wider community.
- All children should feel safe and know to inform an adult if there are situations within the school where they do not feel safe.
- All children are given opportunities across the curriculum to explore and develop moral concepts and values including how to keep themselves safe in an ever-changing world.
- There is a culture of mutual respect; all staff speak to children in a respectful, appropriate tone modelling the expectations that they have of the children.

Behaviour System

Our behaviour system is based on positive reward and reinforcement. Children will be actively praised for good behaviour which demonstrates good choices with their actions, words and learning attitudes, including behaviours which keep everyone safe and healthy. Praise will be verbal feedback, positive dojos, stickers, Principal/ Executive Principal stickers and further awards for learning given weekly in class celebration assemblies. The winners in each class will be shared with our community via class dojo.

Children will be rewarded dojos for the following positive behaviours:

- Making safe decisions about their own behaviour and considering the safety of others
- Showing a can do attitude
- Showing their love of learning in all aspects of academy life
- Showing respect and contributing to their wider community

In addition, a class teacher may personalise their dojo awards to fit the learning and needs of the class they teach.

Sanctions

At times, children may need to be reminded about the behaviour choices they make especially if these behaviours result in an unsafe environment for the other children and adults in the environment.

Where adults identify poor choices being made, they will follow these steps:

1. A request to stop the behaviour and a reminder of what the behaviour should look like
2. A clear verbal warning – this will be shown using a verbal warning dojo on the system
3. If the poor choice continues, a negative dojo will be given. When these are given the child needs to understand that the behaviour needs to stop. The staff member may keep the child in at breaktime if the learning has suffered because of the behaviour in order to ensure that learning is complete.
4. If three negative dojos are given in a session, the child will have to discuss their behaviour choices with the adult in their class and outline how this behaviour will change within the next session. Each session is a fresh start for the child to make positive choices.
5. Five negative dojos in a day will result in parents being called by a member of the Senior Leadership Team to discuss the behaviour with an expectation that this must improve.
6. Continuation of these behaviours will result the child having to learn from home.

Any pupil who commits serious or persistent breach of the academy rules may be sanctioned by the Principal using the full range of sanctions available, dependent on the seriousness of the breach, up to and including in extreme cases fixed term and permanent exclusion.

Negative/red dojos will be given for the following reasons:

- Not making safe decisions
- Verbal disrespect
- Physical violence
- Damage to property

Class Dojo

Class Dojo will form the basis of our behaviour system. It is an online App based behaviour system which allows parents to see the positive rewards and sanctions that their child has received.

It also allows teachers to share the learning of the children through messages and photographs. Teachers and parents can communicate through a messaging system where appropriate.

- All classrooms will come under the school name and school story so that all staff can give children dojos and message parents. The SLT will have overview of all accounts.
- Only first names and initials of children will be used to set up each class. No other data will be inputted into the system.

- Permissions will be collected before photographs and films are published onto Class Dojo. These images can only be viewed by the parents connected to the dojo system, staff and children of the Academy.
- Parents are expected to use the system respectfully, not doing so may result in their account being disconnected.

The system is GDPR compliant and further information regarding their privacy policy can be found here:

Implementing the system

It is imperative ALL children know and understand their class rules and the associated rewards and consequences.
