

9th September 2020

Dear Parents

What a privilege it has been to welcome all of the children into the academy. It has been amazing to see all of their smiling faces and to hear the chatter of all of the children. I know it is going to be an amazing year despite the current restrictions in place due to COVID-19.

I would like to take this opportunity to thank you for your support since the re-opening of the academy and working with us to keep everyone as safe as possible. Thank you for all of the positive comments; it makes for a great partnership when home and school work well together.

We are already working hard as a team to re-establish our rules and routines within the academy including the vision and ethos. These are:

1. Ensuring that all children have a **can do attitude**, having the confidence to be resilient when faced with a challenge
2. Giving a **love of learning**, we learn so much when we have fun, creating memorable experiences
3. Being part of a **wider community**, supporting each other and recognising there is a wide world out there to explore

Each year we hold a parent information evening that outlines the policies and procedures within the academy. Due to the current restrictions, next week, we will be posting videos online to replicate this on class dojo. There will be a whole school video and videos from your child's class teacher. These will be posted on dojo for you to watch. If you have any questions following the videos, please message the relevant staff member via class dojo.

We are all looking forward to working with you over the coming year and celebrating the successes of your amazing children.

Yours sincerely

Mrs L Niemczyk
Principal
