

9th June 2020

Dear Parents,

Staffing structure for 2020-2021

As the end of the summer terms approaches quickly, thoughts turn to September and supporting children to have as much information to support with transition in these unusual times.

It is with sadness that I inform you that Mrs Norcup will be leaving us at the end of this academic year. Mrs Norcup has worked at Sun Academy Bradwell for over 20 years and has given lots of love, expertise and passion to the children and families within our community. I am sure you would all join me in wishing her lots of luck as she starts a new chapter of her adventure.

I can now inform you of the class staffing for next year.

Nursery: Mrs L Machin supported by Miss I Dutton
Reception: Mrs A Cartlidge supported by Miss S Gaynor
Year 1: Mr C Fennelly supported by Mrs J Bailey
Year 2: Mr M Bunting supported by Miss A Mayer
Year 3: Mr R Adcock supported by Mrs D Hall
Year 4: Mr N Smith supported by Mrs G Kiely and Mrs J Hartle
Year 5: Mr J Civil supported by Mrs L Minshall
Year 6: Mrs J Carter supported by Mrs J Staples

Within years 5 and 6, Mr Civil will be teaching maths to both classes and Mrs Carter will be teaching English. All other classes will be taught by their class teacher for all subjects.

Mr MacDonald will be non-class based from September, working with children and staff throughout the academy within his role as Assistant Principal.

We are looking forward to September and as we have clear guidance from the government on any changes I will write to inform you of this.

As always, thank you for your continued support and understanding within these uncertain times.

Yours sincerely

Mrs L Niemczyk
Principal
