In English: Basic Skills - reading
I am learning to use reading skills

Can I read a picture?

Who can you see
in the picture?

Which **two** adjectives could
I use to describe how the
children might be feeling?

How could you use
less than 20 words to
sum up what you can
see in this picture?

What might the
children be looking at
on the screen?

What do you think the
children might do next?

Can I read a picture?

The two adjectives I could use to describe how the children might be feeling are **excited** and **pleased**.

In the picture, I can see **two children**.
There is a boy and a girl.

In the picture, I can see two children who look like they are playing on a laptop.

The children might be looking at a **video game** on the screen.

I think that the children might **cheer or laugh** and then **play another round** of the game.

Vocabulary:

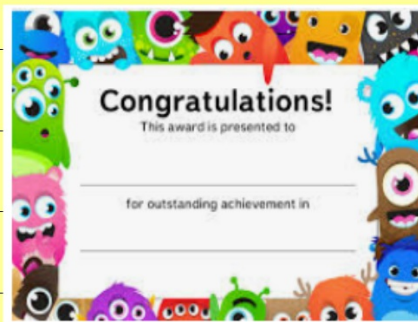

inference, question, explain, justify
