School open

I hope that you all have had a restful summer, spending time with the people important in your life.

Since the children have returned to school, the academy has been filled with laughter and a sense of hope. The children have, as always, adapted to the new normal, yet again, and have thoroughly enjoyed seeing other children and places outside of their bubble. I think their first experience back in Harry Potter's Great Hall might be many people's highlight. The children all look very smart in their uniform and have shown great pride in their conduct in and around the academy.

During the summer, work has commenced on the school building with a new roof to the main classroom corridor. This is the start of developments to our academy over the next few years with the next project linking to the main entrance and carpark/pedestrian access. Thank you to everyone for their understanding in navigating the building work.

As we look to this academic year, we are looking forward to working closely with you as parents and looking at events that we can build back into our academy curriculum. All dates will be published via class dojo, the sun academy APP and on the school websites. Text messages will also be sent as a reminder.

Over this term, we are looking to run projects within the school focusing on developing areas such as the wildlife area and school library. We are hoping to involve parents and pupils with these projects throughout the year. A letter detailing this will come out in the next few weeks, we look forward to working together for our children!

We are really looking forward to this year and the excitement that the children have bought as we start to remember key parts of our routines.
