## PRINCIPAL

Dear Parents,

We have had an amazing start to the academic year with the children producing some superb work individually, in groups and as a class. We are very proud of the work that they have done and Mr MacDonald and I have loved having children visit our office so often.

We have had a lot of sickness and colds going around the academy within the last half term. Can I please remind parents that children must stay off school for at least 24 hour after they were sick or had an upset tummy. This approach will help to stop this

spreading wider within the academy.

A few highlights from last half term have definitely been the Diwali dance workshop that all children took part in and the Halloween disco on the last day. Children and staff had a great time and the dance moves were in full swing. There will be more discos throughout the rest of the year as requested by the children. Details for this will follow as they are arranged.

# Diwali Dance Workshop

During the last week of term, we all celebrated Diwali and learnt all about this festival. All children took part in a dance workshop ran by West End Schools Group to create a dance linked to the story of Rama and Sita. The children really enjoyed the sessions and were amazing in following the choreographed routine along with their own free styles moves.

# Safeguarding

## Halloween and Firework Safety

### Halloween Safety:

- Ensure children are supervised by an adult if going trick or treating
- Take care when crossing the roads
- Don't go into people's houses that you do not know
- Ensure treats are wrapped up

### Firework Safety

- Children should not touch fireworks whether lit or unlit
- Always remain close to an adult at when watching fireworks
- Always wear gloves when holding a sparkler, adults must always be close
- Pets should remain indoors

This has been covered with children within assemblies

## ATTENDANCE

Our current year to date attendance is 95.1%. We have made a positive start to the academic year and would like this to continue to improve. Coming into school late also affects your child's attendance; a reminder that doors close at 8:55 and a late mark will be given if your child arrives after 9:00.

Our school council are in the process of reviewing the rewards linked to this using the views of all pupils within the academy.

# Celebrate! Book Grant

We are excited to announce that we have successfully secured a £5,000 book grant from a local charity to enhance the book collection within the academy. A focus for this funding will be to purchase books linked to diversity within our community. This will include books to support the different languages that we have in our academy.

We will also be relocating our school library to make this more of a useable area as part of our curriculum. If any one has any books that this are going to recycle in the lead up to Christmas, we would be very grateful of any donations.

## PARKING

Please ensure that you are parking in appropriate places. Parking with all tyres on the pavement is not a safe place to park. The safety of our children and community is the highest priority. Local PCSOs will be patrolling the area to support with this issue. Thank you for your support.
